Learn the Facts Why This
Works Even in Current Market

Classic HOME Solutions

Real Estate Staging Facts **PROVE** Staging Works
Even in the Current Market Conditions

Vacant Home Sales

Vacant homes that were un-staged and marketed through the normal methods by listing Real Estate Agents were on the market on average 120 days without selling.

Those exact same homes were then professionally staged, re-marked through those same methods and sold on average in 26 days.

Classic HOME Solutions

Fact #1

Staged Homes Sell Faster & Have More Value!

Fact #2

Buyers will stop & visit a home with curb appeal.

Fact #3

According to Home gain, spending just \$400 to \$500 on fresh landscaping can boost a home's value by \$1,600 to \$1,800.

Fact #4

The survey found that spending another \$300 on cleaning and decluttering could add an additional \$2,000 more to the sale price.
